Thankfulness

Since this is the season of being thankful, we hope the excerpt below will encourage you and serve as a reminder of the many ways we can be thankful.

“Be thankful that you don’t already have everything you desire ... if you did, what would there be to look forward to?”

Be thankful when you don’t know something ... for it gives you the opportunity to learn.

Be thankful for the difficult times ... during those times you grow.

Be thankful for your limitations ... they give you opportunities for improvement.

Be thankful for each new challenge ... which will build your strength and character.

Be thankful for your mistakes ... they will teach you valuable lessons.

Be thankful when you’re tired and weary ... because it means you’ve given your all.

It’s easy to be thankful for the ‘good’ things ... yet, a life of rich fulfillment comes to those who are thankful for the setbacks.

Gratitude can turn a negative into a positive ... find a way to be thankful for your troubles and they can become your blessings.”

Santa at the Beach

**Saturday, December 2nd
10:00 – 11:30 am**

Greenwood Point is looking forward to our annual visit from Santa. Join us around the fire pit and enjoy some hot chocolate.

Come take pictures of your children, family, & friends with Santa. If it rains, we will have a canopy set up to keep Santa and his visitors dry.

A big thank you to Neal & Rachael Mitchell for organizing this event. It will be a fun day for all. Be sure to bring your own camera for Santa pictures.

Look for flyers on the mailbox stands
